Darling,

How are you my dear? How is little Aileen getting along? How is mother and the rest?

Well how everything out here is just about the same. Gee I guess you have been plenty worried cause you haven't heard from me for a long time eh. How I'll try and write as regular as I can but there may be times when you won't hear from me so often. If such a time should ~~come~~ again please don't worry how cause everything is alright. The only reason would be is that I'm not able to write. Please keep writing as often as you can my dear cause your letters means so much to me out here.

See how you sure must have grown by now eh? I love and miss you both with all my heart. It sure is a good thing that Aileen takes after her mommie.

I received a nice letter from Yoshi the other day. It sure was nice of her to write. Please give her my best regards and tell her that I'll write her soon.

Now for some reason or another I can't think of anything more to write so I'll close for today.

Take care of yourself and Aileen.
Love you sweetheart.

Always so
Faithful Alvin
you Mrs. Love
all

Always Yours,
Daddy Alvin
