Darling,

How are you my lovely one? How is Aileen and mother these days? Pray that this letter finds each and everyone in the best of health.

Well how just in case you are interested, everything out here is the same. I am in the best of health but the only trouble is that I do miss you and Aileen with all my heart. Sure am hoping and praying that we three can be to.

gether real soon again.
I guess my Uncle's
are planning to go back
to San Jose eh? Sure
hope them a lot of
luck. Wish I were
going. Well I guess it
will be a long long
time before I can ever
think of going there.
I sure hope that I
am wrong in think-
ing that way but I
can't help but think
that way. Well any-
hoop hoh I hope
that you and Aileen
will be waiting for
me cause I am
coming home some day.

Incidentally how you haven't answered a certain question I asked you a few months ago. I guess you just didn't care to write about it so it's best to forget it eh?

How will you kindly tell darling little Aileen that daddy sure does miss her. The same goes for you. Yes how we three can have so much fun together. Remember the very few days we spent together in Highland Park? We sure did have fun

4/ didn't we? Sure wished
that I could live them
few days over again.
Those few days will always
be fresh in my mind.
I really can say that in
my life many a crazy
things has happened.
Many were very very good
and many were very
bad. Sorry that I
had to spoil your wonder-
ful life how but hope
to make it up to you
some day. I've often
wondered about a lot
of things but wondering
it seems isn't any
to good. You are my wife
and that is the main

thing to me. You and
Aileen is all I've got
and you both mean
everything to me. Now I
am trying my best so
that I can make good
just for you and baby.
Sure hope that I can
my dearest.

Am going to close for
tonight but will write
you soon again. Please
write soon.

Please take the best of
care of yourself and Aileen.
Love you sweetheart.
Good night darling.
