Darling,

Thanks for the V-  
letter I received to-day.  
Sure is nice to hear  
from you so often my  
dear. Now I am awfully  
sorry ~~that~~ for making  
you to worry so. I'll  
write as often as I  
can so that you won't  
worry so. I'll try my  
best to not ever let  
it happen again.

Now I pray that you  
and daughter Hilcen  
are just fine. Sure do  
love and miss you both  
with all my heart.

Darling is Mrs. Alvin  
E. getting plenty of rest?  
Hope you aren't working  
any to hard my dear.

Imagine there is  
plenty to do around  
there to keep you a  
little busy every day  
eh? Well how sure  
do hope that you are  
enjoying yourself and  
am happy. God only  
knows, you sure do  
deserve it. yes how  
after all you have  
gone through you do  
deserve nothing but  
the best of everything.

How is mother getting  
along? Has she come home

3/  
from the hospital  
yet? Pray that <sup>he</sup> is  
well and please  
give her my best  
regards.

Gee I bet Kenny has  
grown to be a big boy  
by now eh? How many  
children ~~has~~ <sup>does</sup> Chris +  
Bernice have by now?

How I've often wondered  
from time to time how  
everything would of been  
if I hadn't got myself  
into trouble at Sheridan.  
That is one thing I keep  
thinking every so often  
and it really gets  
me down. Yep how  
from ~~July~~ August 17<sup>th</sup>

4/ 1943 till June 10<sup>th</sup> 1944.

It sure was a long time but I guess things were planned that way for me. It sure is disgusting when I think of all them months. Oh well, all I can say is that it will never happen again.

See how how is cute little daughter Aileen? Bet she is getting more beautiful each day just like her mommie. I imagine she can talk real good compared to the last time I've seen her eh? Please don't ever let her forget

97  
her daddy and tell  
her that daddy loves  
and miss her very very  
much. Same for mommie.

I'm going to close for  
tonight cause I've got to  
get up early. I get up  
at 5 AM each morning  
except Sundays. It sure  
is plenty early for me.

Will write you soon  
again. Please write too.  
Please take the best  
care of yourself and  
sileen. Think of me often.  
Love you sweetheart.  
Good nite darling.

Always Yours,  
Nabby Alora

Always  
faithful  
you  
I  
love  
you  
all
