Darling,

Thanks for the letter I received from you today. It sure is wonderful to hear from you so often my dear. Please keep writing to me ^{even} if I am not able to write so often. There may be times in the near future again when I may not write but I'm thinking of you constantly Chon. However I'll write as often as I can so please don't worry my love.

How you were right about the reason why I wasn't able to write. I can't tell you all the details but please do not worry.

Yes I imagine there are a lot of fellows home from France. I hope that they will all stay in the States. They all have seen enough action and so forth. Well I hope that some day I'll come home safe and sound to you and our lovely little daughter Aileen.

I guess my folks
may go to San Jose
soon again. However
I am going to write
to my sister and
find out what they
are going to do. How
are you planing to
go to San Jose? Gee
hon I pray that every-
thing will be alright
with you and Aileen.
Well anyhoop hon I
know that you will
manage some how
so I'll try my best
not to worry any to
much. Gee hon I
can't help but worry
from time to time!

of you and Yuri.
How will you send
me some cigarettes
and other small items.
Cigarettes are one thing
I always run short
of. It could be that
I smoke a little to
much eh? I do
smoke more than
before and I've got
to try and cut down
on smoking cause
cigarettes are scarce
around here.

How please don't for-
get to send me Takao's
address. I've asked you
before and I'm asking
you again.

Well hon I'm going
to close for tonight
but will write you
soon again.

Please take the best
care of yourself and
daughter Aileen.
Love you sweetheart.
Good night darling

always Yours,
Hubby Alvin

Always so
faithful
