

10 April 1945

Darling,

How are you my dear?
How is our little daughter
these days? Sure do
love and miss you
both with all my heart.

Received a letter
from Fred yesterday.
Sure do hope that he
will get his deferment
alright. He sure does
think a lot of our
Yvni and tells me that
he misses her. I can't
blame him cause I
miss her with all
my heart myself. He
also mentioned that
he didn't care for
Chris's kids cause they
don't treat him like
a uncle. That's all he

2/ mention in his letter
is about Aileen.

I wrote a letter to
Archie and told him
to come and visit
me if he can. I believe
he is back in Italy
again. I sure do hope
that he can be able
to come and see me.

Well I guess I'll
be here for a few
more months. (maybe)
I've been in a Repl.
Depot for ~~some~~ some
time now and I am
training the fellas
for the Infantry as
you already know.
I know that I'll stay
here until they close

3/ this place or if
they should move out.
I may be sent to
some Inf. outfit if
they should send me
out.

Well you know that
you are being a good
wife and I pray that
you'll remain as such.
Please take the best
care of yourself and
our little Aileen.

As you already know
you and Aileen means
~~everything~~ everything to me so I
don't want anything
to happen to either
one of you. Love and
miss you both
with all my heart.

4/ Dearest sure wish
that you can get me
some Lucky Strike
cigarettes. I know
that one can't be
choosie but if you
can I wish you
would. Received a
package of 2 Camels
and 2 Luckies and
they sure came in
handy.

How I want you to
write to me every
night. I know it is
tough for you but I
want it that way.
If you don't care to
write me each nite

57 I want you to say
so.

Well to day marks
my fourth year in
the Army. As far as
~~ribbons~~ ribbons and
medals are concern
I don't care for any.
I am happy just
the way I am. The
only thing that would
make me really happy
and everything is
when I can come
home to you and
Sileen. Yes dear that
will be the happiest
day of my life when
I can hold you in
my arms and tell
you I'm home for good.

6/ I sure am looking forward to the day when we will be together again. You, I and Aileen.

Well my dear I have written enough for tonight so I'll close. Will write you soon again. Please write soon and often my dear.

Good night my darling and dream of me. Please think of me often my love.

Love you sweetheart.

always
faithful
to you Mrs.
Alvin E.
Love,
D

always yours,
Hubby Alvin
