

21 APRIL 45

Darling,

Sorry that I couldn't write to you for the past few days. Please forgive me. Thank you for the cigarettes you sent me how. It really is thoughtful of you to send me them.

See it is cloudy to-day and I hope that it doesn't rain cause I don't like it. The weather is warm and it sure reminds me of California.

Darling how is our little daughter getting along these days? Pray that she is in the best of health and is behaving herself. See how I really do miss you both with all my heart. How please have some pictures taken of her and send them to me from time to time. Please tell her that daddy is always thinking of her.

2/ Darling I met a lot of fellas
from the 44^{2nd} and they tell me
that it is plenty rough up there.
I sure do hope that Archie will
be able to come and see me.
I know that he isn't able to come
just as yet but am hoping that
he will get his rest soon. If
he does come we'll have a nice
picture taken together and will
send it to you.

My dearest for the past few
days I've often thought of all
the things we have done together.
I can remember how we used
to argue and how sore we used
to get at each other. Remember?
I still can remember I used to
call you on the phone each day
and just talk or rather ~~but~~
listen to you talk. How I miss
you with all my heart. Please
take good care of yourself and
love me always and forever
my love.

3/ Just got another letter from you. Thanks my dear for writing as often as you do.

Well how one of these days I'll have a picture taken of myself and will send it to you. About a mustache, I haven't got one and you'll never see me with one. Some day I may try and raise a mustache but I hate it. Incidentally how when did you start liking mustache on a person? I always had the impression that you didn't like it and in fact I know you never favored mustache before. (I wonder?)

Harling about the ring I'll see to it that I keep it on always. I know exactly how you feel cause I can remember times in the past when I notice that you didn't wear our ring and it used to hurt me an awful lot. Yes dear there we many incident when I notice it but I hated to say anything to you but from now on it will be different.

4/ Dearest please don't be expecting me to do anything. Cause when ohe is expecting a little to much in case anything should happen than you'll be disapointed.

Well every day we train our men. the training is plenty rough and hard and it keeps us plenty busy all the time. Yes how Infantry is plenty rough and we have to be the same way.

Dearest I want you to forget the Red cross and the U.S.O and take good care of our ailean. Its funny that way and I want it that way. If you were single than it would be okay.

Well how I am going to see for to day but will write you soon again. Please write soon and every day. Please take the best of care of yourself and ailean. Be good. Love you sweetheart.

Mrs. Alvin
