Just heard WPA is working
very hard getting employment for
returnees — & they can
enter war plants like Simmons
Beds — now ~~con~~ converted to war work,
& several others) are willing to
hire J. I talked to John High of
WPA Prop Bureau (WPA St office) when
he was here to take Morris' place, &
he said Employment office of WPA was
changing policy & now will help J. I'm
glad you went they were discouraging returnees
now they'll help. So why not try there.
They would naturally have better leads
than USSS because people interested
in J would be the ones to contact WPA.
Also WPA makes it its business to
find out, too.

There are several good paying jobs
not req. mech. aptitude, etc also office
jobs acc. to Ieta Kitayama who was
mainly interested in deferment. He's
going to Oklahoma now. Think I can get wiring
cheap here, so don't worry. (Mang Ogi Murat)
P. can say "Kore chodai" & so on. He under-
stands a bit now, sometimes even seems 1/2
trained. Got some liver today. Love Tom
