Altho' J. Superstition says boy, the
doctr. said fetal head that was
160 + thought maybe girl again
+ said he'd almost bet on it.

Well 2 more months will tell. I
got box this aft. with suckies, cheese
cookies + cup — gee, when'd
you get cup — red is swell!
She's tickled with it.

I'm sorry I packed Warren's Knas
toy — she wants other kids' — so I
bought her one from Canteen at \$1.05 to
drag around on a string. Papa built
additional platform so it wouldn't tip
+ she likes it. Still hugs stuffed Ben-
nie doll but now its nose is bashed
in — she wets it + bites its nose so
it smashed in, dries that way. She
likes cuddly toys + stuffed.

She's a thirsty child just like you
enjoys drinks + ice. She says
hello so clearly now + is a lot of
fun + mischief. You'll be glad to see
how much she's grown + how bright
she is when you come to Jopoz. Love you
