Hope you'll write Papa in person
when you receive Finan. World "Sec."
I think he sent some to you. I also
enclosed R. Digest (second day after get-
ting ~~sent~~) in one of 3 pkg. I sent you.
Shela ~~scrubbed~~ ^{mopped} floor today & washed
few dishes - P's & her bkft coffee things
for which I was not grateful. P's new shoes
arr. yesterday & she's wearing the 3 1/2
ones - fit perfect, look nice. Maatha is
sending me worken from Minn. at only
\$3 yard & looks beautiful. At \$9 I'll have
a jacket + 2 skirts! She deducted \$4⁵⁰
for cost of her dress I sent, so we're square.
Mrs. H. is going to be in hosp. 3-4 days to have hem-
ion removed. I left 1 gal. jug shoyu at foot of base-
ment stairs at medic's - suggest you get it. Also
get Papa's frock coat & suspenders on hanger in
basement there. Hanger mine - fits suitcase. Suggest
you sell at highest price in negro section to dry
cleaning est. or clothing store I ought to get \$7-8
for it. Maybe several negro places in Geary & better
suggest survey likely places before going that
way with it & then looking. Better to study layout
first or ask china meshi place, then look your-
self, then sell. Or go to Reformed Church or African
Methodist on Geary + Webster. When can you send
me complete estimates ??? Love, Tom
