THIS SIDE OF CARD IS FOR ADDRESS

Mr H H Inakoshi
1259 Arguello Blvd
San Francisco
Calif.

Just got airmail of 3-7th & suggest you let
in cd boys - better idea than jr's. To impress
neighbors. Expect the worst from them - but I
don't if they'll do anything outright. # Ayako
said there's been health survey made - SF housing &
many condemned. Heard jr. another source miss
Bill "ushiro" condemned & will be torn down as result.
Better see if Tra's place is OK than Crowley. Papa liked
to buy. # Re: Helen - she evidently sent in Form 57's to
Broader & Stanford so don't worry - don't see in a
round anymore. She's been felling them out. Got
leave extended again & has seen OWC interview
too. Don't know what happened, but she's waiting
appt. staying here. She's out this aft. visiting.
Re: Kay etc forget it. Seems like she's dropped
him. Went to Denver & isn't around anyway. # Had
needles already, badly, at 12-13 or 14 &
don't think I'll get it again. Martha sent me
material & looks swell. Tell me what day
you get osushi. Fri? Sat? ~~mailman~~ at
PO told me Spe. handling or Speu deliv.
wouldn't get there any quicker so sent as
par. Use curtains wherever they fit.
Ordered 4 more pairs but only 2 came.
Can you get mm. & rebon take care of
curtain door? Must have that. Looks
bad. Or ask mes. Plate. That's better.
Ordered matt. covers but couldn't get 'em so
I'll make 'em & send you. Guess you got
to check (Faber) how you're spending money.
Love, Tom. (Enjoy your thorough letters)
