Dear Darling - My letter of David's mail got here this afternoon.  
 Papa left at 1 o'clock. Many were there to see him off - none from  
 this block but I took a drive to father's Mr. Sims of Berkeley & who  
 we once spoke in Block 2, Mr. Fukunoto, with you & Mr. Hijing, next door,  
 & Mrs. Mrs. Fujimoto (Paul's) just Mrs. Yabuki, Mrs. Mats of Block 37  
 (Mitsui's Aunt) - & Mrs. Mats Block 3, that I can think of  
 I already sent out Helen's letter to her. About 1 hr after  
 and got it & had it back at the Post Office to which I walked  
 with P. in the post cart - & gee is it worth the \$3 plus \$1  
 postage! It's so heavy now!!

See it's swell about OW! sure hope you'll get it  
 for sure & get your appt. papers. Mrs. Jenkins of the Rebecc  
 tion Office said to me today at late that Stanford would back  
 ask about me still, & also said Helen not now but would  
 be interested in being put on the active list for next term  
 after the Sept 1st one as they appt. more every 3 months. So  
 you'll hear of it. I will too - I still think if you apply in person  
 to your agent to search it. She expects to work in S L City

I think for a <sup>few</sup> weeks or so. 903 Third Ave. S L City 3  
 you've heard of it.

Now I have news for you - Mr. Katanishi who had a little  
 New York house to the same week or so after Pickie in the same  
 New York, is an honest real estate man - SF who is going back  
 this week & is coming towards the end Fri or Sat by bus, & will  
 want to stay - he knows practically all the houses in  
 of town & also elsewhere. Talk to him & learn things - he

had me a few things, too. He said Lora's was a home re-built  
 of love & my mother!  
 best of all - em

Doc. next

to the flats and was very old. But ask him if Papa could see well soon.  
of ever - I told him he'd bring some sheets & pillow slip. Put him up  
in comfortable with you in your room, maybe. He's been sent in Peter  
not being that good. Enst 125 & in 1917. Also should be Florida Hall  
get there this Sat at the time of this writing. He'll stay 2-3 weeks & wants to  
go back into real estate and for employment office.

What happened to roll of super 8 film? Did you  
get it done? Want to see it badly. Have roll in camera now - have  
about 5 to 6 more to go, will send it to Sears for faster service. I thought  
maybe you'd like to see the pictures of the other roll yesterday. <sup>so I sent it</sup>  
I took some 4-5 pictures of Papa's leaving.

Suggest you keep receipts of express, Van service etc. but maybe that way  
reverse their decision & pay up on all who produce receipts. Please "demands"  
are being listed to -

Go to Iwa Ichijima's house with Mr. Nakamichi and take a thorough  
look throughout. I'm anxious for Papa to buy - as I would have him in my  
hair. I don't think I can last this very long. He's so abusive. And the rumors  
he's now spreading about me to neighbors are terrible. He doesn't realize  
the harm he's doing. He's shooting off his mouth just to be talking but the  
subject matter is disgraceful.

Mr. Nakamichi was the 1st person who said anything complimentary  
to me and I'm grateful because I haven't heard kindly words for a long  
time. He said he has long heard I'm frugal & economical & saw all  
my things and that I was a big help. I said I didn't keep house well  
and was a poor manager. He said he was the average, about 100%  
and that my virtues outweighed faults which was kind. I  
is second then pleased very much. I will write about it. Hope  
it - quite small - the post mail delivery had news - I'm Iwanie

Mr. Ijima called in  
1 wheelbarrow of coal for  
me - he offered.
