PRESERVE THIS NOTIFICATION—IT IS VALUABLE

This is a notification that the birth of your child has been registered in the Vital Statistics Division of the Health Department in the State where the birth occurred.

This notification is not a birth certificate, the original copy of which is on file in the State vital statistics office. If a certified copy of the birth certificate is required, it must be obtained from the vital statistics office of the State in which the birth occurred.

For most purposes, however, this notification will be acceptable. It will usually be accepted as proof of the name, age, birthplace, and parentage of the child for school records, establishing identity, and other purposes.
