Dear Mrs. Takahashi:

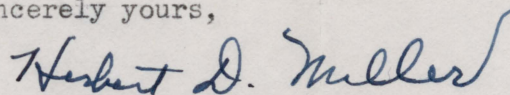

Thank you for your letter of February 4 and your check.

Evidently several of my letters were lost in the mail. In addition, around the 20th of December I mailed to you and your family a Christmas card and also a Buckbee Thorne & Company year book.

I am sorry that you had all that trouble with Mr. Reynolds but hope everything has now been straightened out.

Thanking you again and with kindest regards to yourself, your father and your husband, I am,

Sincerely yours,

H. D. Miller
