Dear Mr. & Mrs. Takahashi:

I think I wrote you expressing appreciation of your letter some weeks back and I was sorry not to see you again at Topaz when on my way west. Due to several things, it worked out so that I did not stop.

Mr. Wakai tells me that you are now located on a farm. I shall be glad to hear how you are getting along and how you like your work. Are you fairly well satisfied with working conditions and pay?

With cordial regards and good wishes.

Sincerely yours,

CSG:EM
