

March 4th.

Dear Miss Tomoe.

Many thanks of your kind letter.

I got your letter in yesterday. I was very glad. There is not so much snow. but high mountain is little snow, about one inch height.

I went to the mountain with my cousin for ski. I lent ski-furniture in the mountain. I paid 50 yen for three hours. I and my cousin could not to slide, and fall down fall down every time.

We were first time the ski.

We were very hurt three four days our health.

I thought ski is very good for health.

The golden gate international exposition will be open at may. I want come back to America and want see you again.

Please you remember me always.

Miss Tomoe please send me your nice picture I wanted.

I am waiting your next letter.

Yours truly

Jimmy Yamamoto.
