Thurs -

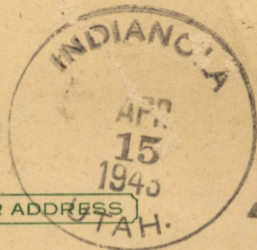

Dearest Henri - Atsushi got here
last night a wee bit before 7:00 so
had supper with us all. With Glenn + Lloyd
gone there are only 6 - so we all sit
down together. I'm going to Crovo Fri nite
or Sat. Dep. on Mr. T's work. He went up
into the hills again to look after the water
situation. Everyday now he brings in fresh
fruit, etc. This time huge oranges, apples
lettuce, veg and a chocolate malted milk
in a carton for me to drink - from Fairview. It is
lonesome here without you. And Lloyd's noise at
the table. They all remark about missing you 4x.

Yesterday I laundered dish towels & my
things by boiling on stove. My blue cotton outfit,
too - and ironed out, look fresh and new. Ben for-
got to pay Ray for laundry so I will collect later.
What shall I get for you in Crovo? Write 57 East
2nd North, Crovo to Mrs. Tanner. 8 days means re-
turn to Topaz about 4/26 approx.

You certainly ret. to camp when it was tense.
Better write all incidents down for record in own file
while events develop bec. you know last time -
Glad not there bec. would emotionally upset me!
Atsushi says nightly meetings again. Ask Papa
what he wants at Kress', Woolworth, Sears, etc. in Crovo
Recvd your mail via Mr. T. am replying to tenants
directly, will abide by your decision re. Kalama
zoo. If you take chance, we can always find some-
thing else somewhere once out there, if we get dismissed
or etc. Not so far from St. Louis. I feel we can do it.
Give Helen 90¢ for coat, please, right away. Mr. T is
starting fire, carrying w. coal, wood, etc. for me now, see,
too hard for a girl. Boys dried dishes (now) + put
away (Atsushi) last nite. Going Crovo maybe tomorrow

Some. Tom.
