Dear Tommie:

Thank you so much  
for your lovely card and  
the sweet message. How  
nice to hear from you -  
but Sis' terribly distressed  
to think you didn't get  
my note written last  
October + thanking you for  
the wonderful little symbol.

and not a person who  
has entered our home  
yet but who has  
admired them. Heavens,  
all this time you must have  
thought me terribly ungrateful.  
I'm so sorry - I sent to  
786 Stanyan - isn't that right?

So the Camera bug has  
bitten you! How nice -  
and I would love to  
see a sample.

Now I wish we could get

of mental happiness. Am  
I right in believing they  
are the Emperor and  
Empress? It means  
more than I can express  
that you think enough  
of me to send me such  
precious and sacred  
tokens. They are so  
exquisitely carved and  
painted! They occupy  
a place of honor on  
our beautiful desk -

together and have a good  
visit - perhaps we will if  
our plans to visit the coast  
materialize this spring.

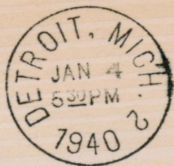

Do write and tell ~~me~~ what  
you are doing - my mother  
said you made a perfect hostess at  
the Japanese exhibit at the Exposition.  
at least do let me know  
if this note reaches you.  
I want you to know before a  
minute more passes how  
honored and pleased your  
gift made us feel.

Love,

Dat

I have served tea in your lovely wedding gift  
set to us - several times - it is such a pleasure to use it.
