Miss Tomoye Nozawa
786 Stanyan Street
San Francisco, California

Dear Tomoye:

I was glad to be remembered by you at Christmas time. We are having real Christmas weather here now, zero and below.

I am interested to know about your sister. What decision did she make as to selecting a major course, and did the test help her?

May I thank you for being such a grand hostess while I was visiting the Pavilion.

Sincerely yours,

Maurice D. Woolf
