Dear Tomoye! -
Surprised to hear of your going.
Sorry that I won't be able
to go to the pier to send you

off - but I'll be wishing you the
best of trips and hope you'll have
lots of fun.

I wish that I couldn't see
you before you leave -

This is ~~nothing~~ but just some-
thing so that you won't forget
to write to me & tell me all about
it. If you don't I'm - your name will
be missed when you come back. Give my
regards to Nattie & Mary Endo Hiroshi if you see

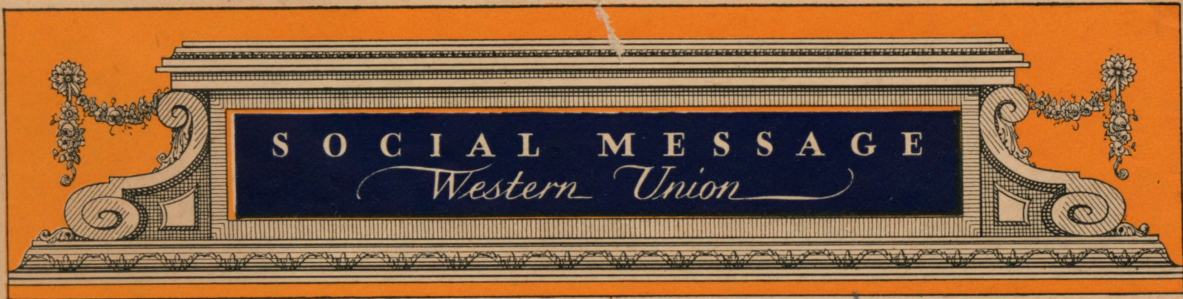

them. Don't get sick now -
course. I don't want you to
miss anything. While you're
at it - enjoy double for me. no chance

of me going so.

Hopefully you'll have
good sailing all the way.
And now my advice from -
don't do what I wouldn't do
ha! Ha!
