

Changed all of Kawabata papers  
 to read: 1 trunk labeled "Hayakawa,"  
 3 elec. irons, 1 box of heavy <sup>cast</sup> aluminum  
 pots + pans belong to Nobue Kawabata  
 to be crated + shipped at ↑ own  
 expense + rest belongs entirely to  
 Guji Kawabata, exclude, to be  
 stored. If they question why it's  
 baggage so little, say he has every-  
 thing with BK friend - besides he  
 got back to America in Sept or Aug.  
 before Pearl Harbor on last boat + hasn't  
 much baggage, which both true.  
 Take care of above text you can + let  
 me know. You might go yourself on  
<sup>by any other</sup> Sunday, then you needn't go when WRA  
 goes, but you can pick out <sup>uncovered</sup>  
 box (may cloth over it) of heavy cast alumin-  
 um ware, 3 elec irons + trunk - the  
 lot 2 anyway, + set aside for WRA.  
 Then you can claim orei for trouble. Know  
 you're busy with 2 girls but maybe you can.  
 Key across st. with Mrs. Tuzi so phone 1st.  
 Maybe today letter from you. Your candy is deli-  
 cious. I'm like it. See M's cautious with Ken  
 still claiming get-acquainted stage, so not work-  
 ing. He'll go to Georgia. OCS? ~~what?~~ Papa calm-  
 ing. Going to S.F. June 1st part. Sending J.J. Love -  
 P. + Zommie

This info! minus graphed stuff; via mail 2-7-7.

Latest is Resettlement Assistance by Social Security Board up to \$2-300 to cover cost of furniture + costs of setting up housekeeping - essential furniture & bedding - as we would need for 2 tables - also own cooking utensils as we never had need to cook before due to room + board job.

Clothing needs also in addition to above, medical + hosp. bills one cannot meet, etc + etc. all on basis of ind. need. You are every alien + no back acct. + no job since Oct. 1444 etc so you should apply before you lose eligibility thru WRA or directly to local welfare agency. All this in addition to \$20 reloc. grant

of WRA. Needn't be right away but should find out about it if possible.

Papa is pretty calm re: what transpired & is now anxious to look for something to do after relocation & as he can't work wants to invest in real estate if 'it will net him 10% & says he may take a trip into SF soon to look around. Mr. Nakamishi's wife & children go back on 8<sup>th</sup> May so I'll wait until they're settled so Mr. N. can take him around. June is O.K. I won't be teaching nor tailoring either as school ends June 1<sup>st</sup>. I can see after P. alone too. I'll be home all the time. He'll stay here while I have next baby, & go to SF. He'll stay at Aquello on 30 day visit so please give him his own room when that happens & be planning accordingly from now. Tell Mr. N. also. I got \$8.75 check (pay) so I have cash now, for a while. Also Papa is back & I can borrow if I must. Got sheets & cleaning back from laundry today. Got permanent & looks good - very cool for summer. Papa to bed very well. 7:30 - 8:00 hoping to train for 7:00 as earlier the better. Nowadays she doesn't wake until 8:30 AM. She says "hello" now. Remember Dale? P. getting very smart now. If she ate better she'd be O.K. No letter today but hope to hear from you soon. You'll be busy with Fonetta & Helen. Hope they'll get along together. Think Loretta sings. Maybe you can all get together some evening - sing fest - Allan & Don too.

Love Tom
