San Francisco -

Dear Mrs. Takahashi,

I was extremely
sorry - and disappointed - to receive the
word that she won't be able to go to
Denver. When March arrives - or after
whatever period is deemed necessary after
the baby comes - do let me know. You will
stand high on any list we have then for
possible openings. I can't know now
what the situation will be, of course,
but for the moment, I'm going to let
your appointment dangle in mid-air,
hoping we shan't have to fill it. —

I hope your husband will be able to
find time - in the midst of all the
excitement at that time! - & drop me a
line in Washington - (5200 Klinge St., N.W.)
When the baby arrives.

Best wishes to both of you.

Edwin W. Hollinger
