

Sept. 4, 1945

Dear Zukeko,

Mr. Leyecki will stay with us till first part of September. Joe went to Utah to work so until he comes after his mother here, she won't be able to go back to Poston. At mean time, please forward all the letters to this address.

Willie stayed with us couple of days and left for Ft. Snelling.

We moved to this address about ten

days ago.

I hope everyone is well at your family.

My regards to all

Always,

Joby
