

Dear Kenji Takahashi,

April 17, 1954

I returned to Denver at 7 p.m. last night. Many, many thanks for what you have done for Teiko and me during our stay in San Francisco. Without your kind help, it would be impossible for us to finish our errand so quickly. I am sure that my sister, Teiko, will not ever forget your generosity.

Thank you again. Please send my best regards to your family and Misako-san.

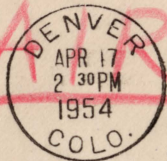

Whenever you do come to Denver, we will be more than delighted to have you come visit us.

Sincerely yours,

Fumio Ozawa
