Dear Sam -

Am sending about \$300 worth of available Hattan furoshiki - in 1st assembled boat cargo of sample merchandize - this includes

Hattan 300 pcs of 1 design
30 pcs of 1 design

plus odd designs of the most attractive ones to make zabuton or to send ahead as samples to our salesman.

27 design chosen at Miyai Furoshiki Co. through

Kamei and company's Kyoto man whose name is also Kamei, nephew of the old man in Yokohama.

Conover and Jan paid for their shares and took their share about which we have nothing to do with.

Ours will be shipped by first available shipment out for Soh's bunch of furoshiki of which 9 designs from DF 24's numbering 200 doz. ready almost right away. Instruct me whether I should pay for this item with LC I carry or if you are sending L/C bec. mine is faster to ship out.

If not hear from you, will pay with my money.

Am now going out with Kyoto Bito.

Love, Tami
