

Dear Huri -

6-16-54

4:50 AM

10 more minutes + it  
will be 5 AM + in not too  
many more minutes will be  
in Muroka. Get a deeper  
so am in bed because other-  
wise I can't take the pace at  
which I am going. Cost \$156.00  
extra.

I cancelled the trip to Tohoku  
but faced such protest from the  
Losey office and Kenno chi of  
FACE and so forth that  
I had to come anyway and  
here I am one day late but  
you will arrange for me to  
get about \$340 US to pay UNMAS  
and twice as much more in You for  
them to complete payment on what I  
owe them.

27 Then I must have money to  
pay Osaka Match Co.  
also.

How long do you think I  
should stay in Japan?  
I need at least 10 days  
after Tohoku trip, so I can  
return around 1st part of July.  
Then I can help with Gift  
Shim preparation.

My living expense usually  
cost \$1500 per day and was  
paid up to day before yesterday  
6/14<sup>th</sup> at hotel. To send things  
home etc I need money. I also  
travel as unaccompanied  
baggage. I can use Yen which  
I can get here if I can guarantee  
payment in Dollars. Please write.  
Love O To
