Tami, today is Mothers Day. Hope you are well. Best wishes and more such days to come for a long long time. I hope the children are fine and healthy. I am much better now. My leg has dried up and I am no longer uncomfortable.

Thank goodness, for it is getting quite warm now.

I told HASHIMOTO SEATERS not to send the HAGOITA and also told them to send the HANTE according to your instructions.

I saw John Motoyoshi and bought some toy lanterns and looked at fans and dolls. Samples will be coming on dolls and I am ordering some fans after samples are being made up. I did buy some fans in plain white & solid colors of red, white aqua @ price ranging from \$2.10 doz, (25 gross) 6.80 gross, (50 doz) \$3.50 doz, (50 doz) \$2.40 doz. Tell you more later. But amount was little (as indicated) so please order more later if found satisfactory.

Bought more TEAK & GOLD TRAYS for our stock. I did not know response but I wanted to play safe. Purchase order is being prepared and will be sent to you soon. I will OK in Tokyo so send your P/O to Hotel Tokyo. I will reach Tokyo May 19th.

I ordered 20 doz 10 1/2" trays in both TEAK & GOLD

cheapest source, I have determined. I talked to two OTOCHAN MAKERS who will make anything we design here in Nagoya. Better than GIFT.

I do think that these cheap lanterns will be a steady wholesale seller, like our other toys. A large variety of stock will be our bread & butter during dull months - SUMMER.

I TALKED WITH C-SAMU of MIE TRADING and we are going to go. Please send him \$500 IMMEDIATELY and he can start buying about \$500 EVERY MONTH. Hani

and 10 doz each of 14" trays & 21" trays. I just wanted to blame.

HATTOKI DOLL samples being sent to you. Please appraise & we will order on my return after discussion. I have visited many other doll makers & I would like to survey the situation before ordering.

The OTOCHAN I ordered are KOKESHU, little round ones & other cheap ones we buy domestically. I only ordered enough for store & a few for friends but if you wish to buy to wholesale, Nagoya is
