

EVENT OF THE YEAR

SCHUMAKER

MAY 9 1987

*"The standing-room crowd delighted in the joyous energy  
surging through the little bodies  
spinning and flying across the stage."  
Jesse Hamlin, San Francisco Chronicle 1986*

*"No wonder they call it 'EVENT OF THE YEAR.'  
Of little wonder it provoked a commotion worthy  
of a gaggle of superstars."  
Alan Ulrich, San Francisco Examiner 1986*

*You're cordially invited to a unique and inspiring  
event when 350 school kids  
will be singing and dancing on the Opera House stage,  
many for the first time in their lives.*

*Tickets are now available to the 1987 edition of  
"EVENT OF THE YEAR"*

*For 18 years Ruth Asawa and crew have placed professional  
choreographers, musicians and visual artists  
in San Francisco schools to provide arts education  
as part of the total learning experience.*

*Join us for our May 9th Benefit Performance at 8:00 p.m.  
Thrill to see our youngsters...  
their talent, their energy.  
Enjoy our special guest stars.*

*Help us fund this year-long program.  
Every seat sold contributes.  
For those who buy \$125.00 tickets there will be a  
Gala Post-Performance Party.  
Come and meet everyone in the show.*

*"EVENT OF THE YEAR" is presented by the  
San Francisco School of the Arts Foundation,  
in association with the  
San Francisco Unified School District and the
