

Wednesday, April 17<sup>th</sup>

Dear Tami,

Please accept our most sincere condolences. It was just yesterday morning we were talking with Henri about your health problems. He was a fine, and caring, gentleman, and will be missed by many.

If there is any manner in which  
we may be of assistance to you, we  
trust you will feel free to call, or  
ask Martha to do so on your behalf.

With our sympathy and love,

Jack + John
