

Emily J. Sano

Dear Tommie,

I was sad to hear of Henri's passing. I suppose it was a blessing he went quickly. I am sorry I will be arriving back from Boston too late for the Memorial service.

Henri led a good and productive

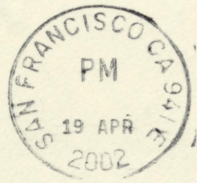

life, and I know you were
a good wife to him. We
shall miss him, as I know
you will, as well. I hope
your realization of a good
life shared will ease you
through the transition.

Many thoughts + love,
Emily
