Between my "Pressing Duties"

Dear Tommie - My,  
how I did enjoy seeing  
you again - and meeting  
Punkie. Wish I could have  
seen Norman too & Henri. The  
children were simply delighted  
with their puzzles, pencils, topset  
And how I love the placemats! In fact, they  
are on the table right now. Next July seems  
a long way off but I am already looking forward  
to seeing you down here at that time. Our  
phone no. is Kellogg T-1393 so you can reach us.

Much love,  
Audreane
