Ask for literature on how to read your meter and the rate schedules applying to this account. This will enable you to figure your own bill.

NOTICE: If this bill is not paid within fifteen days after presentation, service may be discontinued, in which event the customer may be required to reestablish credit by making a cash deposit with the company. In case of a dispute between the customer and the company as to the correct amount of any bill rendered for service, the customer will be notified by the company to deposit with the California Railroad Commission the amount claimed by the company to be due. Upon receipt of such deposit, the Commission will investigate the facts and communicate its findings to the customer.

For further particulars ask for Rules and Regulations 6, 10 and 11 regarding payment of bills, disputed bills and discontinuance of service.
