Hello everyone:

How are things in S.F.? I'm fine except for the cold I've caught.

Say, whom do you write to in Japan to get your letters through to Daddy + Mama? All my letters which I wrote to S/sgt. Calvin Miller have returned. Can you write Nihongo on postal cards? I've been writing English every time.

Could you if you have time go through my crate box (which is open) and send me <sup>all</sup> my photos. I would like to send them to Nihon when I send Julia some music. There are so many things I need but the pictures will do.

How are the children? Joyce everyone is fine. I have a choir at our Fellowship now and have 12 people in it. It's fun conducting them.

Helen
