Because you sent us takusa<sup>N</sup> no clothes and whenever we wear them we say Arigatai Arigatai our children in America is very generous <sup>to</sup> for us. We need fall kimono (suits) and tried to pick up some from the catalog you sent us the other day. We are very <sup>sorry</sup> that <sup>we</sup> can not send the money for them now but when the time will come ~~we~~ <sup>will</sup> to send you the money we will try to send for those clothes. So just try to get those for us and send them when you get a chance.

Mother and myself are very well and Julia is going to teach the GI College at Kokura from next month. Perhaps twice or three times a week. She is going to teach piano .

Summer is over now and getting colder and cooler day by day. Minna genki de irukotowa naniyori no happy na kototo yorokonde imasu. Bukka ga masumasu takaku natte everybody ga komatte imasu . Shikashi sonouchi ni sagaru kototo omotte sono teki no kurunee matte imasu.
