

Mrs. T. Takahashi

Tokyo, Oct. 9th. 1956

San Francisco, Calif.

I had a letter from my daughter and learnt she is in Mrs. R. Bacons' through your kind arrangement. I am also informed and very much pleased that she has succeeded to enter California State College where she was received by college staff with warm heart.

From now on she can live easier and more comfortable in every respect as the climate at yours is much milder than Illinois, and I thank you that you have kindly gave her chance to enjoy it.

Tokyo people are very excited and busy to hold their 500 th. Festival and young man carry heavy "Omikoshi" and pass street in zig-zag course shouting "Washo-Washo" chorus. City tram cars and busses are decorated with dolls and flower and run all round Tokyo-To for a week. Perhaps you have already seen these sights through picture news.

Thanking for your kind arrangement to my daughter and hope you and your family are in good health.

Yours very truly.

With best wishes of my wife and first daughter

Yoshiko Tomono
