Holiday greetings from the land of cherry blossoms, geisha girls and Mt. Fuji....

I have been here almost a year now and altho' I miss home terribly I have enjoyed my new adventure very much. As a matter of fact, it is hard to imagine that I have been here as long as I have.

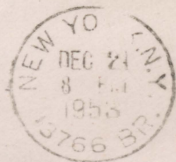

This is truly interesting country...I am fascinated by all its quaintness and beauty. Have done quite a bit of travelling and hope to do much more before I leave.

Henri, when are you making that trip over....you should soon, you will benefit alot by it, I know.

Hope this finds the both of you and the children enjoying
good health. My best wishes for a happy holiday season and
a very prosperous new year.
