Dear Mrs. Takahashi,

Thank you very much for your visiting Higashiyama Villa and nice letter from Los Angeles. We were so delighted to meet you and had a wonderful time with you. We wish we could be able to meet each other again someday in near future.

It is nice of you to drop in our Los Angeles shop and kindly let me know your impressions. I am glad to know that Terry seems to have a good sense of interior decoration and to be managing the shop successfully.

As to the clocks you mentioned, if you write me the number you need and the approximate time limit, we will try to gather as much as possible. The average cost is now @¥ 9,000, but varies with the condition.

I will be glad to assist you in whatever way I can. I am looking forward to hearing from you again.

With best wishes,

Sincerely,

Emiko
