Rule and Regulation Regarding Disputed Bills

In case of a dispute between the subscriber and the Company as to the correct amount of a bill rendered by the Company for service furnished to the subscriber, which cannot be adjusted with mutual satisfaction, the subscriber may deposit with the Railroad Commission of the State of California the amount claimed by the Company to be due. Upon receipt of said deposit, the Commission will investigate the facts and communicate its findings to the parties.

Failure on the part of the subscriber to make such deposit within fifteen days after notice by the Company that such deposit must be made or service may be discontinued, shall warrant the Company in discontinuing service without further notice.

**RULES AND REGULATIONS REGARDING PAYMENT OF BILLS, DISPUTED BILLS
AND DISCONTINUANCE OF SERVICE**

6 (b-2) Re-establishment of credit. A consumer who fails to pay bills as provided in Rule and Regulation No. 9 (a), and who, further, fails upon second notice of not less than five days to pay said bills in time required by the second notice, may be required to pay said bills and to re-establish his credit by making a cash deposit with the company of an amount not to exceed a sum equal to twice the estimated average periodic bill for that service.

A consumer whose service has been discontinued for failure to pay bills as provided in Rule and Regulation No. 9 (a) may be required, before service is resumed, to re-establish his credit as provided in the preceding paragraph.

9-a Non-Payment of Bills. A consumer's service may be discontinued for the non-payment of a bill for service rendered, provided that the bill has not been paid within:

15 calendar days after presentation when bills are normally made out monthly,

7 calendar days after presentation when bills are normally made out fortnightly,

4 calendar days after presentation when bills are normally made out weekly,

and further provided that in case a deposit to guarantee bills has been made, the service will not be discontinued until the amount of the deposit has been fully absorbed.

A consumer's service may be discontinued for non-payment of a bill for service rendered him at previous location served by the company, provided said bill is not paid within 30 days after presentation at the new location.

11 Disputed Bills. In case of a dispute between the consumer and the company as to the correct amount of any bill rendered by the company for service furnished to the consumer, the consumer will be notified by the company to deposit with the Railroad Commission of the State of California the amount claimed by the company to be due. Upon receipt of said deposit, the Commission will investigate the facts and communicate its findings to the parties.

Failure on the part of the consumer to make such deposit within 15 days after written notice by the company, that such deposit be made or service may be discontinued, shall warrant the company in discontinuing the service to the consumer without further notice.
