(Period)

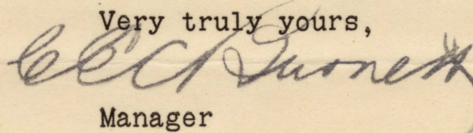

We have not received a reply to our recent letter asking you to furnish for the above period either the social-security account numbers or addresses of the individuals listed below.

The omission of social-security account numbers from returns made to the Bureau of Internal Revenue makes it difficult to post these wage credits to the proper accounts. If you will write the individual account numbers in the space below, it will greatly assist us.

If you do not have a record of these account numbers, or cannot obtain them, please furnish us with the addresses of these individuals, and we will endeavor to contact them and secure a record of their social-security account numbers.

When you have filled in the requested information on this letter, return it in the enclosed self-addressed envelope which requires no postage.

Very truly yours,

Manager
