Dear Mr. Nozawa:

When Joe came back from
Topaz last week he showed
me your kind note and
very generous gift to Molly
and I want to take this
opportunity to thank you
very much for your kindness
and thoughtfulness. We are
adding your gift to the

babys bank account and appreciate it greatly.

Joe is now in camp in the mountains back of Pasadena. Molly and I are moving south the middle of this month and will be living in Glendora, a small town quite close to camp, where we were fortunate in securing a small house. Joe, I know, misses his friends and work at Topaz very keenly, but camp life will mean an opportunity to do a very different sort of job, & one I know he will enjoy.

With kind regards,

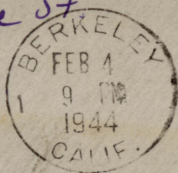

Sincerely,

Betty Goodman
