

6:30
Friday AM
Kingdom City

Warm weather now - the sun
is shining brightly already today.
Bus is comfortable & we sleep
very well in the nice seats.
All the hakujin are kind &
nice. Everywhere ~~we~~ ^{we} go, we
find a great shortage of
waitresses. Out this way, it
seems they haven't sent many
Japanese. Wined Martha last
night by night letter saying we
would arrive this AM about 10:30.
We will finally be in St. Louis
in 4 hours. It has been very
nice so far, & the only exciting
thing was the skidding of the bus
~~on~~ the 1st day, & it wouldn't
have amounted to much if the
woman hadn't yelled & made us
nervous. Milk is very sweet & very
rich here - almost like sugar in it.
