PM

Next stop will be around 8 o'clock in Parkersburg. We're passing thru many small towns & the whole country is green like one large park or golf course with bushes & trees in clumps on the hills & along the small rivers & creeks. It is very warm. The sky is a faded looking blue, not like the west, but the clouds are just as pretty.

Martha will join us Tues June 2 in NY by train from St Louis & will see NY with us & I will leave with her & go as far as Chicago on the way back. Henri & I expect to be in Wash DC 1/2 day & Phila 3 days & be in New York by the 28th. signs Burma Shave & cigarette signs on the highway are the same all over. Hope Pinkie is OK. Tomorrow
