Greyhound Bus Lines
Fillmore, Utah

Dear Sir -

The Burlington Bus Lines office in Salt Lake City was supposed to have forwarded our baggage to Fillmore & from there via shuttle service to Delta train station, but we have not received them. Do you have the baggage there? Checks # ⁶⁴~~3807~~ 3809 3808 and 3810, I believe.

- 1 carton, roped
 - 1 black leather man's grip
 - 1 woman's striped canvas case
 - 1 man's leather suitcase
- bearing either the name J. Dozawa or Mrs. J. Takahashi of 11-5-D and 11-5-F Toiyah, Utah.

If you have these pieces
in Fillmore, kindly inform
us and forward immediately
to Toiyah, via Delta.
If there are any charges,
send C.O.D. and we will be
happy to pay any such.

Your immediate attention
will be appreciated. They were
checked from Denver, Colorado
on July 18 to Salt Lake City
via Burlington & they were
delayed and we could not
bring them with us as we
had to catch the train down
to Delta. They must be here by now.

Very appreciatively yours

J. Nozawa
