

## To Parents or Guardians

Our public schools are trying to train our children to become good American citizens.

The teacher and the parent must help each other in every way for the good of the child.

Please see that your child comes to school regularly, and on time every day.

In case of absence or tardiness please send an excuse, giving definitely the cause.

If your child is often absent, he loses his time, his lessons, his interest, and possibly, his promotion.

Watch your child's weight. It should not fall below normal.

If a child is not happy at school, or if he does not seem to be going ahead, come and talk it over with the principal and teacher, who will be glad to see you and to do all in their power to help your child.

Let us work together for the good of the children.
