MAP OF THE AREA OBTAINABLE AT THE INFORMATION BOOTH IN GHIRARDELLI SQUARE

*Week*  
*March 15, 1969*

# Where

*to go*

*what to do*

*when in Northern California*

*The fascinating cluster of old red brick buildings known as Ghirardelli Square houses a multitude of specialty shops and restaurants as well as live entertainment. The development around the historic Ghirardelli Chocolate Factory, dating from 1873, with its views across the Bay, is a major San Francisco attraction.*
