Att: Mr. Sumio Kawasaki

Dear Mr. Kawasaki,

It was very, very kind of you to send us the three excellent photographs of the Japanese participation in the Pacific Festival of 1960.

Thank you for allowing us to take part by way of our imports and those of other importers whose items we handle in the retail store.

The artistically displayed spaces presented a very delightful way of demonstrating how easily and how harmoniously imports from Japan can accessorize the Contemporary American Home to bring fun and more enjoyment to daily living.

Such is our motto, our policy, and it is easy to see that your display expressed it very eloquently.

You are especially kind to allow us to participate, and we hope you will continue to give us this extra privilege to do so.

In any other way, too, if we can at all be of help to you, please command us.

Congratulations on your usually fine way of building the bridge of good will and friendship between Japan and the United States thru imports.

Yours appreciatively,
