Dear Mrs. Takahashi: -

At your earliest convenience, would you send me the topic of your talk to our Club in January, also just a little information about you and your business. I need a little information to put into my monthly bulletin announcing future events, and thought you might have a copy of some publicity about your speeches, displays, etc. As the bulletin material should be in early in December, I would appreciate hearing from you before long. All I need is the subject of your talk or demonstration, maybe

o few facts about when your business was established, from where you import your goods, where you have lectured or had displays, etc. Then I can send in the note to our publicity chairman and she can give me as much space as is available for announcing the program.

I trust you received our membership list some time ago, as part of our agreement about the charge for your lecture.

Please address me at: 365 Hillside Ave. Piedmont 11, or Phone Olympic 2-5166 - not at the Club address.

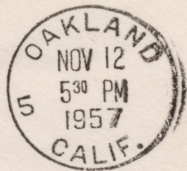

Sincerely

(Mrs.) Louise T. Hanson
