DECORATIVE ACCESSORIES

4/3/58

Dear Matha:

Can you supply 200 or more of the White Doves? Prefer EB-1, but if you have 200 of any size the customer may be able to use them assorted. This is for Stark Valla. Incidentally, she wants to know what ever happened to the order of White Doves she was supposed to get by March 15th..she's never received any.

She prefers to know she can offer her customer one or two sizes in 200 pieces. Also..can you offer any discount on the amount she will order?

Please air mail answer at once or wire. Thank you,

Bestest,
