Sacramento, Calif.

Dear Sir:

This is to notify you that we cannot use the 1doz. Kanbin (Take design) which were delivered to us from our last order.

We also found one large round black tray #107 chipped, and one kanbin #637 also chipped. Please replace the chipped merchandise. The Take design Kanbin are in our shop to be picked up by your salesman on his next trip.

Sincerely yours,

TAKAHASHI

Dear Sirs:

Please send us immediately six (6) large
round black trays, #107, \$2.75 each.

Will you please include the one large
round black tray #107 which was found
chipped from our last shipment? We also
found one kanbin #637 chipped. We wrote
you on April 27th about them.

Thank you for giving your immediate
attention to this order.

Sincerely yours,

TAKAHASHI

Sacramento, California

Dear Sirs:

We would like to order six #Small Ohitsu which cost \$1.35 each. We need them immediately and we would certainly appreciate your sending them out as soon as it is possible.

In the previous shipments we have experienced imperfections which are the manufacturers responsibility therefore, would you kindly check the Ohitsus before you pack them?

Thank you.

Sincerely yours,

TAKAHASHI
