Dear Sir,

I'm writing for reply to your advertisement in the Richi Bee Times today about a job.

The reasons that I'm very interested is because it is a permanent position. Also I'm very interested in this type of work.

I've had over 2 years of experience on handling of crates cargo, shipping, receiving, packing and preserving in the Naval Supply Depot in San Diego.

I am 22 years of age
and I'm a Nisei. I've
finished high school
and had 6 weeks of
storekeeping (Book-keeper)
in N. S. Tashy. I
would like to hear
from you soon.

Thank You
Junji
