P.S.: We would like to know whether you have good friends or partners in Norfolk City, Virginia, because our product - K-710 "Chirping of Crickets" had been presented in the latest to Mr. Mayor of the City from Mayor of MOJI City, Japan, and by this attractive reaction both cities are about to step in the relation of sister's city. In the result many earnest concerns to our Doll are increasing rapidly, however we regretfully have no friend in there, so your patronage even in any case shall be appreciated highly with our many thanks.
